The screenshot shows the BAI (Business Activity Information) system interface. The sidebar menu on the left includes options like Vendor Management, Tendering, Purchase Order, Expediting, Invoice, and Addendum. The main area displays a form for 'Equipment' registration. The 'Condition*' field is highlighted with a red box, showing a dropdown menu with options 'Baru' (New) and 'Bekas' (Second-hand). Other fields include Tools Name*, Quantity, Brand, Ownership*, Location, and Information. The top right corner shows the user is logged in as 'UG2'.
